

Lenovo TruScale Hybrid Cloud with Deloitte

Seamless Scalability Across
Multi-Cloud Environments

Cloudful capabilities to drive your IT infrastructure expansion.

Accelerating your IT infrastructure growth to meet your constantly changing business needs is achieved much easier with Lenovo TruScale Hybrid Cloud with Deloitte. Speed and flexibility are essential in the ever-changing IT industry and combining the benefits of the Lenovo on-premise IT infrastructure with Deloitte cloud capabilities, enables businesses to adjust faster to new projects and workloads.

Fully tested across applications, software, hardware, and services, our solutions help streamline IT administration and simplify implementation.

Lenovo TruScale Hybrid Cloud with Deloitte

From the edge, to the core to the cloud.

Lenovo Hybrid Cloud with Deloitte allows companies to combine cloud capabilities while enjoying the control given by an on-premise solution. Leveraging Lenovo's consumption-based TruScale solution and integrating it with Deloitte's best of breed cloud tooling, businesses can orchestrate and manage their IT environments reliably, securely and efficiently.

Lenovo TruScale Hybrid Cloud with Deloitte provides:

- ✓ **Worry-free IT infrastructure management** by enabling businesses to move workloads wherever they are needed to optimize performance and resource usage
- ✓ **Reduced IT complexity** by managing the ecosystem through the single pane of glass – TruScale Portal
- ✓ **Peace of mind** to control your on-premise IT infrastructure while being able to quickly scale new businesses without relying on complex IT procedures to be performed
- ✓ **Large number of capabilities** ranging from identity and access, cloud data protection, cloud vigilance, cloud resilience and network and infrastructure, allowing you to focus on the business goals

Benefits

- ✓ **Scale as your business requirements change.** Deployed based on current needs, seasonal requirements, and growth expectations
- ✓ **Around the clock 24/7 Support.** Ensure the infrastructure is always on, always updated and always ready
- ✓ **Predictable cost.** Reduce up-front investment and align costs with business outcomes

Your transformation journey starts now.

Leveraging the power of the cloud combined with the benefits of Lenovo's IT infrastructure enables companies to navigate the uncertainties the future might bring and enables business agility demanded by digital transformation.

With Lenovo TruScale Hybrid Cloud with Deloitte your business is safeguarded using Deloitte proprietary tools for monitoring, automation, security, compliance, and account management features.

Lenovo TruScale experts are here to turn complex business issues into opportunities for growth, helping organizations transform in the digital era.
